

# Highway Project Information

**Area 4 Project Office: Corvallis** (541) 757-4104

State Highway Development and Construction in Linn, Benton and Lincoln Counties

## US101: Alsea Bay Bridge Painting

### Project location

- US101 - Oregon Coast Highway, Alsea Bay in Waldport, Lincoln County (mile posts 155.59 -156.09).

### Project purpose and need

- The undersides of the floor beams have a considerable amount of rust.
- Crews will use a water blasting to remove rust from the structure and will repaint the floor beams. The purpose of the project is to preserve the existing bridge.

### Construction overview

- Traffic can expect minor delays associated with lane and sidewalk closures at the beginning of the project. The majority of work will take place under the bridge. The contractor will use a lane closure to stage equipment and materials on the roadway for the duration of the project.
- Construction costs: \$2.1 Million
- Project Awarded to : Purcell P & C, LLC
- Start Construction: May 2009
- Contract Completion: October 2009
