# Highway Project Information

**Area 5 Project Office: Springfield (541) 744-8080**

*State Highway Development and Construction in Lane County*

---

## **K16034 Hwy569 at Delta Highway Oxing**

Updated 03-22-11

### ***Project location***

The project is located in Lane County at the interchange of Beltline Highway and Delta Highway.

### ***Project purpose and need***

The project was identified by the ODOT Bridge Program for preservation. The overcrossing is showing signs of age and needs to have maintenance work to preserve its longevity.

### ***Construction overview***

Bridge preservation project will repair the bridge deck and upgrade the rails for Delta Highway overcrossing. The deck will be repaired with a staged microsilica concrete overlay and deck joints will be replaced. The existing bridge rail will be retrofitted to a concrete F-rail configuration

### ***Cost estimate***

1.8 million

### ***Key project milestones***

- Environmental Work —2011
- Project Design — 2011-2012
- Bid Let Date — 8-2012
- Construction —2013
