

Highway Project Information

Area 5 Project Office: Springfield (541) 744-8080

State Highway Development and Construction in Lane County

Updated 08/17/08

Region 2 CCTV Project Project key #14783

Project location

- Project will construct two Closed Circuit Television (CCTV) cameras in the Eugene area. The interchange locations are at Beltline Hwy at Delta Hwy and at I-5 at I-105.

Project purpose and need

- The project will continue implementation of the 2003 Regional ITS Plan. CCTV cameras are needed for freeway maintenance and operations management, incident management, for evacuation route planning, and for integrating traveler information with www.tripcheck.com & Highway Advisory Radio (HAR).

Construction overview

- Construct camera poles and foundations
- Establish utility connections
- Install CCTV cameras, commonly mounted on a 40'-50' metal pole with a lowering device for maintenance

Cost estimate

- Total project funding: \$800,000
- Funding type: ITS Project

Key project facts

- Project Status — Advanced design work is underway
- Bid Let Date — April 2009
- Construction Completion — December 2009
