

Comment Form

Open House Aug. 25, 2005 Grants Pass YMCA

The purpose of this Oregon Department of Transportation (ODOT) project is to develop a transportation solution to address safety and congestion problems along Highway 199 from Tussey Lane to Midway Avenue, Grants Pass. An Environmental Assessment will be developed addressing project alternatives. Your comments will be part of the project records.

Name: _____

Mailing Address: _____

Street Address (if different): _____

City and Zip code: _____

Telephone: _____ e-mail: _____

East Section, Tussey Lane to Dowell Road

Six alternatives to address safety and congestion are under consideration by project committees. Please check the box below that best describes your opinion. Use the right column and the space on other side for comments or to describe special features that you would like to see in the project design.

	Acceptable	Somewhat Acceptable,	Neutral	Not Very Acceptable,	Unacceptable	WHY? (Please provide comments)
East 1						
East 2						
East 4						
East 5						
East PDT 2						
East CAC 2						

(Continue on other side)

East Section, Tussey Lane to Dowell Road

Please describe the features or details you like or dislike in the designs for the eastern alternatives. Are there additional features that you feel should be included? Please be as specific as possible about your suggestions and locations.

West Section, Dowell Road to Midway Avenue

Please describe the features or details you like or dislike in the recommended design for the western section of the highway. Are there additional features that you feel should be included? Please be as specific as possible about your suggestions and locations.

Do you have other comments or suggestions that you would like to see the project address? _____

Please drop off this form before you leave, or mail by Aug. 31 to:
