Northbound Main Street exit ramp on US 97 to be closed June 26-28

The Oregon Department of Transportation (ODOT) will close the northbound Main Street exit ramp on US 97 in Klamath Falls from June 26 to 28 to allow for maintenance crews to resurface the bridge deck.

The ramp will be closed at 6 a.m. Monday, June 26 and is scheduled to reopen at noon on Wednesday, June 28. The Main Street exit is at mile point 275.3 on US 97 and leads to the Klamath Falls city center.

Motorists are encouraged to find an alternate route. Trucks can take the OR 39/Crater Lake Parkway exit 2.3 miles north on US 97, continue on the Crater Lake Parkway for 1.55 miles to the Esplanade Street exit and continue on to the city center.

Non-truck traffic may use the Oregon Avenue exit, 1.7 miles north on US 97.
