ODOT Paving Project Set For Parkway

ODOT is advising motorists to be aware of possible congestion due to a paving project on the Bend Parkway, tentatively set for Tuesday, October 2 and Wednesday, October 3, depending upon weather conditions.

This project will extend southbound from Revere Street to Colorado Street and entail the closing of access at Lafayette, Hawthorne, and Colorado as necessary to pave the road bed.

Paving will begin at approximately 9am on both days and continue until approximately 3:30pm.

Motorists are asked to avoid the area if possible and be aware of potential delays.

This project represents ODOT Region 4's continued efforts to preserve the taxpayer investment made in the Bend Parkway.
