MEMORANDUM TO: Board Administrator

FROM: Executive Appointments  
Nancy Goss Duran, Director, 503-378-8471  
Pamela Estes, Program Representative, 503-378-3123

SUBJECT: NEW/REAPPOINTED BOARD MEMBER

You are receiving this memo because either a new member has been appointed, or an existing member reappointed, to your board. Enclosed is a new roster and information regarding the appointees. *Let us know if you have any changes to the board roster so we may update our database.* The address listed for the member is typically their preferred mailing address (if they indicated a preference on their application). *Please call us if this memo has been addressed to the wrong person.*

#### **DIRECT APPOINTMENTS**

- The Oath of Office, appointment certificate and handbook have been mailed directly to the appointee.
- Please remind the member that they should complete the Oath and return it to our office if they have not done so already. **They are considered official members once the oath is received and recorded.** Each member needs an oath for each term of appointment; having done it for a prior term does not suffice.
- **Contact new appointees as soon as possible to welcome them to the board, inform them of the next meeting date and answer any questions they may have.**

#### **PRESS RELEASES**

We typically leave it up to the individual boards to write and distribute press releases regarding the appointment of board members. Please send a draft to [communications@state.or.us](mailto:communications@state.or.us) prior to releasing to press. If you need assistance please contact our office.
