

## INDEX

---

<b>A</b>	
Abbreviations.....	2
Acceptability of materials and work .....	36
Acceptance, final .....	42
Access to the work .....	35, 60, 93
Adjustment of contract time.....	94
Advances on materials .....	109
Advertisement of bids .....	13
Agency-furnished materials.....	45
Agency-furnished sources .....	45
Allowances	
advance for materials on hand.....	109
for materials left on hand .....	111
Altered quantities, compensation .....	114
Alternative materials, equipment, and methods.....	82
Approval of	
source of supply and material .....	43
working drawings .....	36
Assignment of anti-trust rights .....	63
Assignment/delegation of contract .....	77
Authority	
inspector .....	33
of the Engineer .....	33
Project Manager .....	33
Authorized representative.....	33
Award and execution of contract .....	2

---

<b>B</b>	
Beginning and end of contract time .....	91, 92
Bid	
booklet .....	14
consideration .....	24
irregular.....	21
more than one.....	20
opening and comparing .....	21
preparation.....	17
rejection .....	21, 23
request for solicitation documents .....	13
revision or withdrawal .....	20
submittal .....	19
Bidder	
disqualification of .....	22
prequalification of.....	13
Bidding requirement and procedures .....	13
Bidding schedule, interpretation of quantities in .....	16
Bills	
force account .....	119
payment by Contractor.....	63

Bonds	
execution of contract and .....	27
performance and payment .....	25
Buy America requirements .....	44

---

## C

Calendar day calculation .....	91
Cancellation of award .....	25
Certificate	
origin of steel material .....	51
quality compliance .....	50
test results .....	50
Changes in the work, Agency required .....	29
Changes to plans or character of work .....	105
Claims	
disagreements, protests and .....	120
procedure .....	121
Cleanup, final trimming and .....	32
Clear zone, definition .....	6
Commencement and performance of work .....	91
Compensation for changes to plans or character of work .....	105
Completion of work and liquidated damages .....	95
Compliance certificate, quality .....	50
Conflict of interest .....	71
Conformity with plans and specifications .....	36
Construction stakes, lines, and grades .....	35
Construction surveying and layout .....	35
Contents of bid booklet .....	14
Contract	
assignment/delegation of .....	77
award of .....	24
bonds, certificates, and registrations .....	25
booklet .....	25
cancellation of award .....	25
commencement of work .....	27
completion time .....	91
execution of .....	27
failure to execute .....	27
notice to proceed .....	28
purpose of .....	29
responsibility for .....	77
subcontracting .....	78
termination of .....	96
time to complete work .....	91
Contract payment	
final .....	112
progress .....	106
retainage .....	107
Contractor(s)	
claim procedure .....	121
cooperation and superintendence by .....	37
cooperation with other Contractors .....	39
cooperation with utilities .....	38

equipment restrictions.....	40
furnished materials and sources.....	46
insurance coverages.....	67
licences.....	62
minimum wage and overtime rates.....	65
protection of utilites.....	75
protest procedure.....	120
quality control.....	48
required payments by.....	63
responsibility for damages to property and facilities.....	72
responsibility for damages to work.....	71
responsibility for defective work.....	73
to provide vehicle weigh scales.....	100
Control of work.....	33
Cooperation and superintendence by the Contractor.....	37
Coordination of specification and plans.....	34
Cost reduction proposals.....	30
Costs	
fabrication inspection expense.....	59
of testing.....	48
payment for changes in material.....	103
samples of materials.....	36

---

## D

### Damages

liquidated, failure to complete on time.....	95
protection of utility, fire-control, and railroad property.....	75
responsibility for damages to property and facilities.....	72
responsibility for damages to work.....	71
Defective work.....	73
Definitions.....	5
Delay(s)	
notice of.....	92
right-of-way and access.....	93
Delivery of bids.....	19
Differing site conditions.....	105
Disagreements, protests and claims.....	120
Discrepancies in plans and specifications.....	34
Disqualification of bidders.....	22
Drawings, plans, and working.....	36

---

## E

Engineer, authority of the.....	33
Engineer's estimate.....	106
Environmental, pollution.....	30
Equipment	
materials, and work force.....	81
rental rates.....	116
use of publicly owned.....	32
Errors	
in final quantities and amounts.....	113
in plans.....	34

Estimates	
final .....	112
monthly .....	106
Execution of contract and bonds .....	27
Explosives, use of .....	76
Extension of contract time .....	94
Extra and force account work .....	115
Extra work .....	114, 115

---

## F

Failure to complete work on time.....	95
Failure to execute contract and bonds .....	27
Failure to maintain work .....	40
Failure to provide schedule .....	91
Familiarity with laws, etc.....	60
Fees for fabrication inspection.....	59
Final	
acceptance .....	42
estimate .....	112
inspection.....	41
payment.....	112
trimming and cleanup.....	32
Force account.....	114, 115

---

## G

General provisions	
assignment/delegation of contract .....	77
examination of work site and solicitation documents .....	14
measurement guidelines.....	98
suspension of work .....	93
work on Sundays and holidays .....	66
Grades	
construction stakes and lines.....	35

---

## H

Handling materials.....	58
Hauling equipment, load and speed restrictions .....	40
Health, safety, and sanitary provisions .....	64
Holidays, legal.....	66
Hours of labor and overtime rates .....	65

---

## I

Incomplete bids .....	21
Increase or decrease in work or quantities .....	29
Increase or decrease of bid .....	20
Infringement of patents.....	62
Inspection	
fees .....	59
final .....	41
general.....	35

Inspectors, authority and duties.....	33
Instructions to bidders .....	13
Insurance	
certificate .....	70
liability .....	67
workmen's compensation .....	65, 69
Interest, conflict of .....	71
Interpretation of plans and specifications .....	29
Interpretation of quantities .....	16
Investigations of subsurface conditions .....	16
Irregular proposals .....	21
Issuance of bidding documents .....	13

---

## L

Labor	
force account .....	117
nondiscrimination .....	65
wages on public works .....	65
work force .....	81
Land limitation and requirements, Agency-controlled .....	46
Laws	
general .....	60
industrial accident protection .....	65
navigable waters .....	65
permits, licenses, and taxes .....	62
required payments by Contractor .....	63
safety, health, and sanitary provisions .....	64
trespass .....	76
wage rates for public works projects .....	65
Layout, construction stakes, lines, and grades .....	35
Legal holidays .....	66
Legal relations and responsibilities .....	60
Liability insurance .....	67
Licenses .....	62
Limitations of operations .....	83
Lines, grades, and construction stakes .....	35
Liquidated damages .....	96

---

## M

Maintenance during suspension of work .....	93
Materials	
acceptance guides .....	48
Agency furnished .....	45
buy America .....	44
buy Oregon .....	45
conformance and quality compliance documents .....	48
defective .....	73
notification of source .....	43
ordering, producing, and furnishing .....	43
ownership on Agency lands .....	46
patented .....	62
quality control .....	48

source of .....	43
specifications and test methods reference .....	49
statistical acceptance .....	57
storage and handling .....	58
weighing .....	98
Measurement of pay quantities .....	98
Monies due Contractor, assignment of .....	77

---

## N

Navigable waters, protection .....	64
Nondiscrimination, labor .....	65
Notice of claim .....	120
Notice of completion .....	41
Notice of delay .....	92
Notice to proceed .....	28
Notices, delivery of .....	36
Notification by Contractor of source of material .....	43

---

## O

Omitted items, payment for .....	114
Opening and comparing bids .....	21
Operations, limitations of .....	83
Ordering, producing and furnishing materials .....	43
Orders by the Engineer .....	33
Overhead costs, adjustment of .....	118
Overruns in quantities .....	103
Overtime, hours and wages .....	65
Owner/Operator data .....	67

---

## P

Partial payments .....	106
Patents, copyrights, and trademarks .....	62
Payment	
Agency delays .....	106
changes in material costs .....	103
changes of plans or character of work .....	105
differing site conditions .....	105
extra work .....	114
final .....	112
force account basis .....	115
material on hand .....	109, 111
progress .....	106
terminated contract .....	111
unused material .....	111
withholding .....	109
Payment bond .....	25
Performance bond .....	25
Permits .....	62
Plans	
and working drawings .....	36
examination of .....	14

Potential claim, notice of.....	120
Power and telephone lines, etc .....	38, 75
Preconstruction conference.....	91
Preparation of bid.....	17
Prequalification of bidders .....	13
Price adjustments.....	103, 106, 114
Price reduction .....	57
Processes, patented.....	62
Producing, ordering, and furnishing materials .....	43
Progress payments .....	106
Progress schedule.....	83
Project changes.....	29
Project manager's authority and duties .....	33
Project site restrictions .....	27
Property damage, responsibility for .....	72
Prosecution and progress.....	77
Protection	
and maintenance of work during construction.....	40
and restoration of property.....	73
explosives.....	76
highway facilities, load and speed restrictions .....	40
navigable waters.....	64
stock .....	75
stored materials .....	58
work during suspension .....	93
Public opening of bids .....	21
Public works, wages on.....	65
Publicly owned equipment, use of.....	32
Purpose of contract.....	29

---

## Q

Qualifications for bidding .....	13
Qualifications of Contractor's personnel.....	81
Qualified products list .....	43
Quality control, general.....	57
Quality of materials.....	48
Quantities of materials	
compensation for altered .....	103
interpretation in bid schedule .....	16
measurement guidelines.....	98

---

## R

Rates for rented equipment.....	116
Rejected and unauthorized work, removal of .....	41
Rejected materials.....	48
Rejection of bids.....	21
Relief from maintenance and responsibility.....	72
Removal, unacceptable and unauthorized work.....	41
Rental rates, equipment .....	116
Requests for bidding documents .....	13
Requirement of contract bond .....	25
Requirements and procedures, bidding.....	13

Responsibilities, legal relations and .....	60
Responsibility for Agency-furnished materials.....	45
Responsibility for damage to work.....	71
Restoration of damaged property.....	73
Restrictions, Contractor's vehicles and equipment.....	40
Retainage.....	106
Return of bid guaranties.....	27
Right of Agency to do work.....	77
Right-of-way delays.....	93

---

## S

Safeguarding excavations.....	75
Safety, health, and sanitary provisions.....	64
Samples and tests.....	48
Sanitary provisions.....	64
Scales	
Contractor to provide.....	100
plant.....	102
Schedule and limitation of operations.....	83
Schedule, progress.....	83
Scope of payment.....	103
Scope of work.....	29
Shop drawings, requirements of.....	36
Site of work, examination of.....	14
Site, differing conditions.....	30
Source of materials	
Agency-furnished.....	45
Contractor-furnished.....	46
limitations of Agency controlled.....	46
mandatory.....	45
notification.....	43
prospective.....	43
Special provisions, interpretation of.....	34
Specifications	
and plans, coordination of.....	34
examination of.....	14
interpretation of.....	34
Standard plans.....	34
Statistical acceptance sampling and testing.....	57
Statistical analysis.....	51
Stockpiling by-products.....	46
Storage of materials.....	58
Streams, protecting.....	64
Subcontracting.....	78
Subletting of contract.....	78
Substitution of equipment and methods.....	81
Subsurface investigations.....	16
Superintendent, Contractor's.....	37
Survey control.....	35
Survey monuments.....	73
Surveying, construction.....	35
Suspension of work, maintenance during.....	93

---

**T**

Taxes..... 62

Termination of contract..... 96

Tests and samples of materials..... 48

Thickness, of materials..... 29

Time

    adjustment of contract..... 94

    failure to complete ..... 95

    to complete work..... 91

Trespass..... 76

Trimming, final..... 32

Truck weights ..... 98

Typical sections..... 29

---

**U**

Unacceptable materials..... 41

Unauthorized work ..... 41

Utilities, protection of ..... 75

---

**V**

Value Engineering ..... 30

Variation in plan quantities ..... 29

Variations of thickness ..... 29

Vehicles, measuring and weighing quantities in ..... 99

---

**W**

Wage rates..... 65

Warranties ..... 74

Warranty, maintenance ..... 42

Waste, excess, and by-product materials..... 46

Weigh scales, Contractor to provide..... 100

Weigh sheets and slips..... 101

Weighing materials..... 98

Withdrawal of bids ..... 20

Work

    access to, for inspection ..... 35

    beginning of ..... 91

    changes to ..... 29

    cleanup of ..... 32

    control of..... 33

    done before contract approval ..... 27

    examination of site..... 14

    extra..... 30

    failure to complete on time..... 95

    final acceptance..... 42

    final trimming and clean up ..... 32

    force account, payment..... 114, 115

    inspection..... 35

    limitations of..... 83

    payment for increased or decreased ..... 103

    prosecution and progress ..... 77

---

protection during suspension .....	93
removal of unauthorized or unacceptable .....	41
responsibility for .....	71
right of Agency to do .....	77
schedule .....	83
scope of .....	29
start of .....	91
subcontracting .....	78
superintendence of .....	37
suspension of .....	93
termination of .....	96
Work force, materials, and equipment .....	81
Worker's compensation .....	65
Working drawings, general .....	36
Working schedule .....	83
