

SP2050 (01-13-11)

SECTION 02050 - CURING MATERIALS

*(Follow all instructions. If there are no instructions above a subsection, paragraph, sentence, or bullet, then include them in the project but make necessary modifications to only include project specific specifications. Delete specifications that do not apply to the project.)*

Comply with Section 02050 of the Standard Specifications modified as follows:

**02050.10 Liquid Compounds** - Add the following to the end of this subsection:

Before using liquid compounds, submit one quart samples of each lot for testing except samples are not required for commercial grade concrete applications unless the liquid compound is a conditionally approved product.
