

SECTION 00440 - COMMERCIAL GRADE CONCRETE

(Follow all instructions. If there are no instructions above a subsection, paragraph, sentence, or bullet, then include them in the project but make necessary modifications to only include project specific specifications. Delete specifications that do not apply to the project.)

Comply with Section 00440 of the Standard Specifications modified as follows:

00440.10 Materials - In the list of materials, delete the "Aggregates....02690" line.

(Use the following subsection .14(a) when perforated steel square tube sign supports are required.)

00440.14(a) General - In the work item list, replace the square tube sign support line with the following line:

Perforated Steel Square Tube Sign Support Footings00920
