

SECTION 00130 - AWARD AND EXECUTION OF CONTRACT

(Follow all instructions. If there are no instructions above a subsection, paragraph, or sentence, then use the subsection, paragraph, or sentence on all projects. All other modifications to this Section will require Department of Justice approval. (See the Specification Manual, Chapter 3.) Remove all instructions before preparing the final document.)

(Use the following paragraph when subsections 00130.40(a) and 00130.40(d) are ~~is~~ NOT included in the project.)

Comply with Section 00130 of the Standard Specifications.

(Use the following lead-in paragraph when subsection 00130.40(a) or subsection 00130.40(d) are ~~is~~ included in the project.)

Comply with Section 00130 of the Standard Specifications modified as follows:

(Use one of the following subsection .40(a)'s as instructed below. Delete the one that does not apply.)

[Use this subsection .40(a) only when discrete items are to be coated and warranted - example: bridge rail on a large modernization project. For the dollar amount to use, calculate only 100% of the value of the completed work, in dollars, for the Pay Items included in the warranty provisions.]

00130.40(a) Performance and Payment Bonds - In the paragraph that begins "When a coating system warranty...", replace the sentence that begins "The supplemental warranty performance..." with the following sentence:

The supplemental warranty performance bond shall be in the sum of \$_____.

In the paragraph that begins with "Upon Third Notification...", replace the words "Third Notification" with the words "Second Notification".

[Use this subsection .40(a) only on bridge coating projects.]

00130.40(a) Performance and Payment Bonds - In the paragraph that begins with "Upon Third Notification...", replace the words "Third Notification" with the words "Second Notification".

(Use the following subsection .40(d) and paragraph (5) on all ARRA funded projects, regardless of amount.)

00130.40(d) Registration Requirements: - Add the following subsection (5):

(5) Bidders must be registered with and have issued by Dun and Bradstreet, Inc. a unique nine digit number with a four digit Data Universal Numbering System (DUNS) Plus number.

This "DUNS Plus" number shall be reported on federal reporting forms as "999999999.9999".
