| TOPIC Memo to Designers | NUMBER TR05-07(A) | SUPERSEDES Formerly Numbered TA 05-01 |
| APPROVAL Original signed by Edward L. Fischer, P.E., PTOE | EFFECTIVE DATE 06/17/2005 | VALIDATION DATE 08/01/2006 |

Topic

Loop Wiring Diagram to Show Loop Distance Dimensions (Distance from STOP line to center of loop)

Advisory Information *(use additional pages if needed)*

(This document replaces the Memo to Designers, used to alert Traffic Designers of approved changes.)

Loop Distance Dimensions should be shown in a column added to the Loop Wiring Diagram, adjacent to the assigned loop numbers. Dimensions shown thus do not have to otherwise be shown on the plan.
