**REMINDER:** The next OMUG meeting will be Thursday, December 14, 9:00 a.m.-noon, Salem.

**Possible Future Agenda Items:**

1. New technology - Traffic count management including naming conventions, validation; Survey methods and practice
2. Web communication - discuss site for code sharing, modeling questions, general modeling discussion, etc.
3. Specific discussion topics for mixed expert panel with follow-on general group discussion

**DIRECTIONS:** From I-5, take the Hwy. 22 (Santiam) exit. Go west on Mission St. (Hwy. 22) to Airport Road (second signal) and turn right. Follow Airport Road and turn into the Region 2 parking lot just before the State Street intersection. There should be plenty of free parking.
