

List of Tables and Figures

Table	Page
I-1 National Employment in Transportation and Related Industries, 1960 and 1997	4
I-2 Revenues and Tonnage of Domestic Freight Shipments, 1996 – 2006	6
I-3 Transportation Services Requirements by Major Sector and Selected Commodities	13
I-4 Selected Characteristics of Freight Transportation Modes.....	14
II-1 Fastest and Slowest Growing Commodity Groupings Nationally, 1996-2006	45
II-2 Employment Change by Industry Group in Oregon 1995-2005	46
III-1 Proposed IMS Performance Measures for Connector Roads and Main Roadway Routes.....	58
III-2 Truck Crashes, Number and Rate, 1996-September 1998	71
III-3 Truck Crashes, Percent of Total and Percent Preventable, 1996-September 1998.....	71
III-4 State Highway Freight System Needs, 1998-2017.....	74
III-5 Existing and Forecast Cargo Facility Requirements, Portland International Airport	99

Figure

I-1 Transportation's Contribution to U.S. Gross National Product, 1960-1997	3
I-2 Expenditures for Freight Transportation Nationally, 1997.....	3
I-3 Ton-Miles and Tonnage Nationally by Mode, 1997	5
I-4 Oregon Transportation Planning and Programming	19
I-5 ODOT Corridor Planning Corridors.....	22
II-1 Major Freight Corridors	29
II-2 Truck Volumes	30
II-3 National Highway System in Oregon.....	31
II-4 State Highway Freight System.....	32
II-5 Rail Lines	33
II-6 Oregon Port Districts	34
II-7 Oil and Natural Gas Pipelines and Terminals	35
II-8 Marine Freight Ports.....	37
II-9 Rail / Truck Freight Facilities	38
II-10 Airports with Scheduled Freight Service	38
III-1 Truck-Crash Corridors	60
III-2 Congestion on the State Highway Freight System.....	63
III-3 Poor Pavement Conditions on the State Highway Freight System.....	65
III-4 Low Clearance Bridges on the State Highway Freight System	67
III-5 Weight-Restricted Bridges on the State Highway Freight System.....	68
III-6 Truck Crashes with Structures, 1993 to December 1998	72
III-7 Poor or Very Poor Pavement Conditions off the State Highway Freight System.....	77
III-8 Low Clearance Bridges off the State Highway Freight System.....	79
III-9 Weight Restricted Bridges off the State Highway Freight System	80
III-10 Highway Segments with Overlength Tractor-Semitrailer Restrictions	82
off the State Highway Freight System
