

Appendix A

Resources

[Access Management Manual](#)

[Analysis Procedures and Methods](#)

[Circular 212 - Critical Movement Analysis and Unsignalized intersections](#)

[Congestion Monitoring System](#)

[Crash Analysis and Reporting \(CAR\) Unit](#)

[Development Review Guidelines](#)

[Discussion Paper No. 7, Functional Intersection Area](#)

[Draft 2005 Development Review Guidelines](#)

[FHWA Guidelines – Simulation Models](#)

[Future Volumes Table](#)

[Highway Capacity Manual \(HCM\) 2000](#)

[Highway Design Manual \(HDM\) \(2003, English\)](#)

[Manual on Uniform Traffic Control Devices \(2004\) - Federal Highway Administration](#)

[OAR 734-020-0480, Traffic Signal Progression Analysis](#)

[OAR 734-051, Highway Approaches, Access Control, Spacing Standards and Medians](#)

[Oregon Highway Plan \(OHP\) \(1999\)](#)

[Oregon Highway Plan Registry of Amendments](#)

[Oregon State Highway Crash Rate Tables](#)

[Policy on Geometric Design of Highways and Streets \(2004\) - American Association of Transportation and Highway Officials](#)

[Safety Priority Index System \(SPIS\)](#)

[Statewide Transportation Improvement Program \(STIP\)](#)

[Synchro](#)

[Traffic Analysis Tools](#)

[Traffic Counting Program](#)

[Traffic Engineering Handbook, ITE](#)

[Traffic Engineering Operations Section \(TRS\)](#)

[Traffic Engineering Operations Section \(TRS\) Publications](#)

[Traffic Manual \(July 2005\)](#)

[Traffic Noise Background Information](#)

[Traffic Signal Policy and Guidelines](#)

[Transportation Analysis](#)

[Transportation Data Section](#)

[Transportation Modeling References](#)

[Transportation System Planning Guidelines \(2001\)](#)

[Transportation Volume Tables](#)

[Travel Demand Models Map](#)

Trip Generation Guide (2003) - Institute of Transportation Engineers, Seventh Edition

[ITE Trip Generation Handbooks](#)

[TruckSum Spreadsheet](#)
