

Roads Scholar 2009 Fall Class Schedule

The Oregon T2 Center is presenting the Roads Scholar classes *Paving Materials* and *Environmental BMP's I* at the below locations.

Using the form below, please respond with your estimated group count **on or before November 2nd**. The 2009 Fall schedule is posted to the T2 website at: http://www.oregon.gov/ODOT/TD/TP_T2/. If you have any questions or concerns, please contact us at 503-986-2855 or send an email to Rebekah.A.Clack@odot.state.or.us.

RS-3 Paving Materials

Introduces the key properties of the aggregates and binders required for good paving. Includes discussion of bingers, including asphalt, cement, and emulsions.

RS-4 Environmental BMP's I

This course examines best management practices that are designed to minimize the impact of road maintenance activities on water quality, fish and fish habitat.

Class Details:

- Attendance is limited. Pre-registration is required and is handled on a first-received basis, by phone, fax, e-mail, or mail.
- It is vital that you pre-register your group since class space and supplies are based upon registration responses.
- Classes run approximately four hours each.
- Persons with disabilities, who require special accommodations or auxiliary aids, should contact the T2 Center prior to the workshop date so that necessary and reasonable accommodations can be made.
- If you pre-register and cannot attend, please provide notice of cancellation at least three days prior to the session in order to allow space for others.

**Register your group for the scheduled classes below.
Please return this completed form via fax (503-986-2844).**
