

One call can wreck your day.

Nothing brings a quick end to a beach trip like a call or text gone bad.

Using your phone while driving distracts you from your most important focus: the road. Remember, in Oregon, using a hand-held mobile communication device to talk or text while driving is against the law. It can get you a ticket – or worse. So keep your mind alert and your fingers off the buttons... and have a nice day.

Drive Safely. The Way to Go.

Transportation Safety – ODOT

OTHER SAFE DRIVING TIPS

- Follow posted speed limits.
- Always drive sober.
- Don't drive drowsy.
- Wear your safety belt.
- Use proper child safety seats – and kids under 12 in the back seat.
- Share the road – watch for motorcycles, bicyclists and pedestrians.

RESPECT THE ZONE.

BETTER ROADS AHEAD.

Oregon is on the road to improvement, thanks to increased federal and state funding for roadway construction work. But with improvement comes an increase in work zones – and the potential for more crashes, fatalities and fines. So when you see orange, slow down, pay attention and follow the signs in every work zone.

AVOID DELAYS

Plan a safe trip and learn about work zone locations at www.tripcheck.com, or by calling 511.
