

**There's only one way
to satisfy your
need for speed!**

This...

Not This...

**So, where can we race our
street cars safely ?**

There are race tracks all over Oregon that have regularly scheduled races where anyone can enter their street car at a nominal fee.

Coos Bay Int'l Speedway 541-269-2474

Lakeview Dragstrip 541-947-3293

Madras Dragstrip 541-815-2107

Portland Int'l Raceway 503-823-7223

Southern Oregon Dragway 541-826-3477

Woodburn Dragstrip 503-982-4461

Speed is beautiful on the track...

because it's a controlled environment with no obstacles or unsuspecting motorists to get in your way. There is a retaining wall and a trained rescue crew standing by.

On the street, speed is ugly

Obstacles such as other cars, utility poles, children or animals running into the street, ditches and sharp corners can cause serious injury or death. There is no immediate medical help either.

Odds are great that excessive speeding or racing on the street will eventually end in a crash. The faster you travel, the greater the impact which increases your chance of death or serious injury.

**There is nothing beautiful about
a fatal crash scene!**
