SIGN SHEETING, ASTM D-4956 TYPE X;
Section 02910.20
December 15, 2010

02910.20 – SIGN SHEETING, ASTM D4956 TYPE X

ODOT has maintained a list of sign sheetings that follow the criteria listed in ASTM D4956 prior to 2009. Since the 2009 version of ASTM D4956 does not include Type X sheeting, we are reducing our use of this sheeting and will eventually drop it from our system.
