RULE SUMMARY
Adopts a new rule defining a term in ORS 244.050(1)(h) and amends a rule specifying procedures for compliance. The rules address the following topics: defining the persons required by ORS 244.050(1)(h) to file an Annual Verified Statement of Economic Interest; specifying the duties of public bodies in providing information on required filers; specifying duties of persons holding one or more positions requiring the filing of Annual Verified Statements of Economic Interest. The rules are intended to provide guidelines for compliance through defining terms and clarifying substantive provisions of government ethics law.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
