11:15	Breakout discussion	Each table has a facilitator and designates a scribe Key questions: What are now and what would you expect to be the greatest challenges your organization faces in advancing health information exchange in your community? HITOC will have to make some decisions around priorities. What support/resources/direction would be most helpful to you and your local work as HITOC promotes health information exchange in Oregon and with our neighboring states (i.e., loan programs for provider adoption, communications	All Participants

Time	Agenda Item	Activity	Who
		<p>on specific topics, grants for local HIE expansion)?</p> <p>The current HITOC HIE focus has been on the development of the HIE Strategic and Operational Plans, working with one Strategic Workgroup covering all five domains required in the Plans. As we move forward into the next stage, HITOC wants to develop a structure that meets the needs of key stakeholders, and are looking to you to help define that structure so that it meets your needs. . In your dual roles representing your individual organizations and your local HIOs, how do you want to be involved going forward? In particular, what on-going stakeholder workgroups as part of the HIE effort? (i.e., Technical Services, Privacy and Security, Inter-state Operations, Consumer Advisory Committee).</p> <p>Do you have any general feedback about the current direction of the HIE Planning efforts as outlined in today's meeting?</p>
