	<p>changes with Medicaid, new relationships with Coordinated Care Organization (CCO) and the changes with the MHO's.</p> <ul style="list-style-type: none"> • Members wanted to know what talking points to use when addressing points within the context of the CCO's. Another question was raised, 'as to what the plans were to reduce services that cost a lot of money' • A 'factoid' document was suggested. • Suggestion for a factoid workgroup was advised. This would include AMH, MHO's and other interested persons. • Members asked for a set of talking points. <i>This is a great suggestion; however it is hard to get talking points when discussing finance.</i> • Comment: Please note it is important not to jump ahead of the law. The voice is actively at the health care reform table. • Question: Is an emergency clause being reviewed? <i>No. July 1st the session ends and July 1st 2012 the bill will be implemented pending the approval of the bill.</i> 	<p>Ron Sipress made a motion. "The committee [CSAC] to develop a set of facts about children's mental health." Lee Coleman seconded the motion. Motion passes with a unanimous vote. Committee members: Monica Ford, Kit Kryger, Ajit Jetmalani, Kris Anderson, Jammie Farish and Judy Rinkin. Meeting will be by phone conference call.</p>	<p>Judy</p>

	<p>ready for release from the facilities, it may be 2 – 3 months before treatment services are available.</p> <ul style="list-style-type: none"> • Targeting the intervention is crucial. Education on advocacy can be improved and should be reviewed. • There is an idea that children who commit crimes receive more services. This has not been proven. • The survey when developed needs to include questions for youth with Intellectual Disabilities. • Members shared that children who have private insurance and children with Medicaid are treated differently in the court system. • The committee suggested that the local County Commissions be involved in a meaningful way with youth in OYA or county juvenile justice. 	<p>Directors and OYA field supervisors. Vanessa Frias made the motion to accept survey concept with second from Kris Anderson. Motion passed.</p>		
	<p><u>Policy Three</u>: Meaningful Family, Child and Young Adult Involvement</p> <ul style="list-style-type: none"> • Policy Three will be posted on the AMH web site when approved. 	<p>Motion by Kris Anderson made a motion to accept Policy Three as presented with a second from Tanya Pritt. Passed with a unanimous vote. Document to be presented at the July, PAMAC meeting. Presented at July PAMAC,</p>	<p>Judy</p>

		was passed by unanimous vote.		
	<p>Early Childhood</p> <ul style="list-style-type: none"> • SB 909 supporting early childhood will establish the Early Learning Council with nine persons serving on the council. It was suggested that parent participation with budget experience would be an excellent choice. • The legislature is currently discussing financial support of the Council. • It has been identified the early years of childhood needs to be the main focus because it affects all areas of a child's life. An example suggested early childhood affects high school success. • Developmental competencies for early childhood need to be improved. • Questions were asked on how a person would inquire about the Early Learning Council? Who is organizing the meeting? <i>No one has been notified about the local meetings. How can this be resolved?</i> 	<p>Website for future information: http://governor.oregon.gov/Gov/OEIT/OregonEducationInvestmentTeam.shtml#Early Learning</p>	Anne Stone
