1. **Welcome and Introductions**—members were welcomed by the co-chairs. There was a brief review of the sub-committee's charge and short updates from the other sub-committees.
 2. **Review of Draft Recommendation**—members received the material prepared by the work group regarding the recommendations for the Steering Committee meeting on July 27th. Sharon and Jammie plus members of the work group walked the group through the draft.
 3. **Recommendations for the Steering Committee**—the group determined what needed to be refined or added to the draft. The final product is attached and will be submitted to the steering committee by Jammie and Sharon. Several members of this group will also be on responder panels to assist the Steering Committee with recommendations from all four subcommittees.
- Next Meeting: August 15 from 9am to noon; location to be determined but the preference was for a location in Salem. This is to be a joint meeting with the Finance Subcommittee at the request of the Steering Committee chairs.
