

### This letter contains information for females with CAWEM coverage.

*This information is for females of all ages and marital status living in one of the below seven counties.*

On October 1, 2009, clients on the CAWEM Emergency Medical benefit package who are pregnant and live in one of the following counties will be eligible for *CAWEM Plus* coverage:

- Benton
- Clackamas
- Deschutes\*
- Hood River
- Jackson
- Lincoln
- Multnomah\*

*CAWEM Plus* covers many more services than the CAWEM Emergency Medical package. Look at the back of this letter to see some of the services.

#### How do I sign up for this coverage?

If you received a new coverage letter that shows *CAWEM Plus* as your benefit package, you don't have to do anything. See example A on the back of this page for an example of the coverage letter.

If you are pregnant and live in one of the counties listed and did not receive a new coverage letter showing *CAWEM Plus* as your benefit package, call your worker. Your worker will tell you what you need to do.

#### What should I do if I become pregnant?

Call your worker right away. Your worker will tell you what you need to do to receive *CAWEM Plus* coverage.

*\*CAWEM Plus has been available in Deschutes and Multnomah counties since April 2008.*

#### How long will I have CAWEM Plus?

You will have *CAWEM Plus* while you are pregnant **and** live in one of the seven counties.

After your pregnancy ends, or you move out of a listed county, you will only be eligible for CAWEM Emergency Medical coverage.

#### What if I move?

If you move out of one of the seven listed counties, your *CAWEM Plus* coverage will end. Your CAWEM Emergency Medical coverage will continue.

#### Where can I get services?

You can see any provider who will accept your Medical ID. You can call a provider and ask if they serve OHP fee-for-service clients.

#### What do I need to do when my pregnancy ends?

Call your worker as soon as your pregnancy ends. Your worker's phone number is on the upper left corner of your OHP coverage letter.

#### Will my baby have coverage?

Your baby will be eligible for OHP Plus coverage until their first birthday and longer, if the child continues to be eligible. To make sure your baby gets this coverage, call your worker as soon as your baby is born.
