

Information about your client coverage letter Incorrect telephone number listed for MVBCN

DHS recently sent you a coverage letter that lists Mid-Valley Behavioral Care Network (MVBCN) as your Mental Health Plan. It also lists a wrong telephone number for MVBCN.

- When calling MVBCN, use their toll-free number at 1-888-315-6822 (24 hours a day, 7 days a week).
 - **Do not use the telephone number listed on the coverage letter.** Future coverage letters you receive listing MVBCN will contain the 888 number.
