

Income guidelines for state health resources

If your family makes less than the income listed for your family size before taxes are taken out, then your family may qualify for existing programs.

There are other guidelines that also determine whether your family will qualify for existing state programs. Income guidelines change each year.

Family size	Monthly family income (before taxes)
1	\$1,575
2	\$2,111
3	\$2,648
4	\$3,184
5	\$3,721
6	\$4,257
7	\$4,794
8	\$5,330
9	\$5,867
10	\$6,403
