Attached is the schedule for the Fall OHP Regional meetings. The Regional meetings are held in various locations statewide and are intended for field staff from CAF, SPD/AAA and CW as well as managed care plans and providers. Branch offices are encouraged to send front line staff and/or lead workers to the meeting in their geographic area.

Staff who attend the meeting will:

- Receive program updates and training,
- Receive useful tools, resources and contact information and,
- Have the opportunity to talk with representatives from managed care plans, OPAR, DMAP and other state agencies.

Counties not listed on this schedule will have their meeting in the Spring of 2012, however all statewide branches and staff are welcome to attend in person or by V-Con at any meeting listed. See the schedule for locations that have V-con access. **Pre-registration is not required.**

A meeting reminder, agenda and instructions on how to access the handouts online will be sent out about two weeks prior to each meeting. The agenda will include presentations on client fraud, MMIS training and enrollment/disenrollment from managed care.

Be sure to mark your calendars!
