

Do you have concerns regarding health and safety issues* at your development that have not been satisfactorily addressed by management?

*Please note that health and safety issues at the development do not include 911 calls.

If yes, call OHCS'

Health and Safety HOTLINE:

1-800-453-5511

Our goal is to answer your calls that relate to: severe health and safety issues, that could be life threatening, within one hour prior to the end of the same business day (except weekends and holidays), **OR** less severe health and safety issues, that are not potentially life threatening, within two (2) business days.
