Re: Certificate of Additional Training

The Oregon Health Licensing Agency (OHLA) continues to work with Oregon's private career schools to ensure you have the most up-to-date information to help your graduates achieve certification in one or more fields of cosmetology.

Oregon Administrative Rule 817-030-0045(4) requires applicants to obtain recertification of training after failing any section of the written examination on the third and sixth attempts.

Enclosed are the certificates of additional training for each field of practice. These certificates must be submitted by the school to OHLA upon completion of the applicant's recertification.
