Re: Quarterly Career School Reports

The Oregon Health Licensing Agency (OHLA) continues to make efforts to deliver consistent information to stakeholders.

OHLA has started posting quarterly career school reports, which list graduate written examination scores from all Oregon career schools, to the ***Tools for Schools –Helpful Hints and Information Web page*** at

http://www.oregon.gov/OHLA/COS/Features/Tools_for_Schools.shtml

Each report will be posted to this Web page within 30 days after completion of a quarter. When the reports are posted, please take a moment to review your schools report information for accuracy.

For questions or concerns regarding your school's reports, please contact Cerynthia Murphy at (503) 373-1816 or e-mail at cerynthia.murphy@state.or.us
