## Legend Drugs & Devices:

### Basic and Renewal Program Curriculum Requirements

The **Basic Program** and the **Renewal Program** must be taught by a MEAC-accredited or pre-accredited school, the Oregon Midwifery Council or by an organization authorized to provide continuing education. To have the Legend Drugs and Devices **basic (40 hours)** or **renewal (12.5 hours)** program approved, please provide the following information to the Oregon Health Licensing Agency (OHLA):

- **Basic Program Curriculum Objective** (OAR 332-015-0070) includes of total of 40 clock hours in pharmacology, administration of medications through injections, treatment of shock, resuscitation, and suturing.
- **Renewal Program Curriculum Objective** (OAR 332-020-0010) includes 12.5 clock hours pertaining to current information on approved drugs, administration procedures, treatment of shock including IV therapy, maternal and neonatal resuscitation and suturing. Education must consist of theory, hands on practice, and skills testing for competency assurance.

After programs have been reviewed and approved, OHLA sends an approval letter which includes the official transcript for verification of student completion of the curriculum and an authorized representative form. The Authorized Representatives form must be returned and include a list of representatives who are authorized couriers / signers of official transcripts.

### Pre-approval of Continuing Education Courses

To have continuing education pre-approved, please submit the following information and documentation:

- Name of sponsoring institution/association or organization
- Title of presentation and description of content
- Name of instructor or presenter
- Date of attendance and duration in requested hours
- Course agenda

After continuing education offerings have been reviewed and approved, OHLA sends an approval letter that indicates the number of continuing education hours approved. The course is then posted to the OHLA Web site at [www.oregon.gov/OHLA/DEM](http://www.oregon.gov/OHLA/DEM) as a resource for licensees.
