**RULE SUMMARY**

Passage of Senate Bill 939 (Oregon Laws 2011, Chapter 630) by the 2011 Legislature brought the Board of Licensed Dietitians under the administration of the Oregon Health Licensing Agency (Agency). Section 12 of the enrolled version of Senate Bill 939 gives the Agency the authority to establish fees by rule. The statute states that the license is valid for one year. It was necessary to amend OAR 834-010-0050 to align with the statute. A temporary rule was put into place to address the issue. Temporary Rule 834-010-0050(T), will be made permanent with these administrative rules.

New divisions were created for the administrative rules which specifically addressed definitions, application requirements, license issuance and renewal, standards of practice and professional conduct, continuing education requirements, and fees.

Rule changes are necessary to standardize and streamline rules for consistency with other professions regulated by OHLA and to allow for the adoption of rules that will align with current industry, agency and statewide rulemaking standards and principles.

The agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
