RULE SUMMARY

This rulemaking adopts recent changes to the Oregon Practitioner Credentialing Application and the Oregon Practitioner Recredentialing Application recommended by the Advisory Committee on Physician Credentialing Information in the Office for Oregon Health Policy and Research. The changes bring Oregon standards into compliance with national and federal standards. The applications allow collection of uniform information needed by health care service contractors to credential and recredential physicians seeking designation as participating providers for health plans. The Director of DCBS and the Director of Human Services are required to adopt identical rules in a timely manner to carry out the recommendations.

The Oregon Practitioner Credentialing Application and the Oregon Practitioner Recredentialing Application with the changes adopted by this rule are available for review through the Insurance Division website at www.oregoninsurance.org. Then click on "Laws, Rules and Bulletins." If you wish to have a paper copy of the applications, please call 503-947-7272.
