OPDP Prescription Discount Card

Below are “examples” of what you will pay for drugs in this program.

PRICE GUIDE

| | | | |
|----------|----------|--------------------|------------|
| ☺ | \$0-10 | \$\$\$\$\$ | \$101-200 |
| \$ | \$11-25 | \$\$\$\$\$\$ | \$201-300 |
| \$\$ | \$26-50 | \$\$\$\$\$\$\$ | \$301-400 |
| \$\$\$ | \$51-75 | \$\$\$\$\$\$\$\$ | \$401-500 |
| \$\$\$\$ | \$76-100 | \$\$\$\$\$\$\$\$\$ | Over \$500 |

- Studies* have NOT shown that higher priced drugs are more effective than the drugs listed below.
- Your doctor will know if your condition requires a drug not on this list.
- Discounts are available on **ALL** prescription drugs purchased through the Oregon Prescription Drug Program.
- Purchasing generics when possible generally assures you of the best price and the best discount.
- A generic is an FDA-approved, chemically identical version of a brand name drug.
