Suspended Licenses: Posting of Suspension Notice Sign, Activities Allowed During Suspension

(1) Before 7:00 a.m. on the date a liquor license suspension goes into effect, and until the suspension is completed, Commission staff will ensure that a suspension notice sign is posted on each outside entrance or door to the licensed establishment. The suspension notice sign must be posted in a way that allows any person entering the premises to read it. Licensees must use the suspension notice sign provided by the Commission. The sign will state that the liquor license has been suspended by order of the Commission due to violation(s) of the alcoholic liquor laws (statute or administrative rule) of Oregon. If there are multiple liquor licenses at the location, the sign will specify which license privileges have been suspended.

(2) During the period of license suspension, the licensee is responsible for ensuring:

- (a) Compliance with all applicable laws and rules, including compliance with all minor postings assigned to the premises per OAR 845-006-0340;
- (b) That the suspension notice sign is not removed, altered, or covered.

period of liquor license suspension. ~~No use of any liquor license may take place on the premises during the period of license suspension.~~

~~(b) A non-retail licensee may operate his/her business provided there is no sale, delivery, service, consumption or receipt of alcohol during the time of license suspension.~~

~~(c) (b) For purposes of this rule, Winery, Grower Sales Privilege and Brewery-Public House licensees are considered to be both retail and non-retail licensees.~~ When a Winery, Grower Sales Privilege or Brewery-Public House license is suspended, any and all locations operating under the underlying license are suspended.
