OAR 845-006-0335 Age Verification Housekeeping

Initial Action

(To amend one existing rule)

November 2008

Which rules are proposed to be amended?

The Age Verification Housekeeping amendment revises OAR 006-0335 (2)(b).

What do these rules cover?

OAR 845-006-0335 describes the requirements and responsibilities of licensees and permittees to prevent minors from purchasing and consuming alcohol on their premises or from being in an area that is prohibited to minors.

Why do we need these amendments?

The purpose of the amendment is to clarify that the Commission may sanction verification of age violations under either the applicable statute (ORS 471.130 and 471.410(2)) or this rule (OAR 845-006-0335), but not under both for the same violation. The amendment also clarifies that the Commission may impose a sanction under more than one section of the rule where there are multiple violations (such as selling to a minor and allowing a minor in a prohibited area.)

SUGGESTED MOTION:

I move to initiate rulemaking to amend OAR 845-006-0335, and to hold a rulemaking hearing at staff's discretion.
