Redemption Centers

(1) The Commission shall approve a redemption center if it finds the redemption center will provide a convenient service to consumers for the return of empty beverage containers.

(2) The Commission considers factors such as the following in determining whether or not a redemption center provides a convenient service to consumers for the return of empty beverage containers:

(a) Location of the redemption center;

(b) Kinds of beverage containers accepted at the redemption center;

(c) Dealers to be served by the redemption center and their distance from the redemption center;

(d) Days and hours of operation of the redemption center;

(e) Parking facilities serving the redemption center;

(f) Evidence showing that the redemption center meets all applicable local ordinances and zoning requirements;

(g) The cap, if any, on the number of beverage containers per person per day that the redemption center will accept;

(h) Payment method(s) accepted by the redemption center for redeemed beverage containers;

(i) The projected volume of beverage container returns at the redemption center as compared to the actual returns at the dealers to be served by the redemption center;

(j) A description of how consumers will be notified of the redemption center's location, services, and service hours.
