

AT-A-GLANCE

Division 005 Temporary Events Housekeeping Package

Initial Action

(To amend three existing rules)

November 2008

Which rules are proposed to be amended?

The Temporary Events Housekeeping package amends the following three rules:

- | | |
|-------------------|---|
| OAR 845-005-0405: | Full or Limited On-Premises Licensee Small-Scale Private Catering |
| OAR 845-005-0410: | Full or Limited On-Premises Licensee Large-Scale Private Catered Events and Temporary Use of an Annual License for Events at Another Location |
| OAR 845-005-0415: | Special Event Winery and Special Event Grower Sales Licenses |

What do these rules cover?

The above rules describe the qualifications a Full or Limited On-Premises Sales Licensee must meet for the Commission to approve them for small-scale private catering, large-scale private catering, or applying for the temporary use of their license at another location. Also described is the process a Winery or Grower Sales Privilege licensee must follow to apply for using the privilege of their license on another premises.

Why do we need these amendments?

There are no new concepts in these housekeeping amendments. The proposed amendments match the changes recently made to Minor Posting and Temporary Sales License rules. Those amendments are:

- Deleting “ongoing business operation” language and replacing it with the limitation that the same applicant at a single location can be issued a temporary license for no more than 31 license days per calendar year.
- Definition of key terms.
- Removing references to the Minor Posting rule and instead clarifying requirements in each temporary event rule regarding plans to control minor patronage.
- Standardize rule language with Temporary Sales License and Minor Posting rules.

SUGGESTED MOTION:

I move to initiate rulemaking to amend OAR 845-005-0405, 845-005-0410 &

845-005-0415, and to hold a rulemaking hearing at staff's discretion.
