The Enforcement & Licensing Workgroup met at 9:00 AM on July 7, 2010.

The committee went through the list of issues identified during the Business Partners Open House and determined how to address each item.

The updated action item list is attached. Updates are indicated in **bold** lettering.

The OLCC Proposed Revision to ORS 471.313 (License Denial Criteria) generated a great deal of discussion. Proposed changes in section (1) met with some opposition; the language will be scrutinized and appropriate changes suggested.

The workgroup meeting is scheduled to meet again at 9:00 AM on Wednesday, August 4, 2010.
