Law Orientation for Grower's Sales Privilege License

If you will sell your wine or cider at retail, you must also complete one of the following:

- **Law Orientation Self-Test for Off-Premises Sales Licenses.** Complete this test if you will be selling wine or cider at retail “to go” in sealed containers. Note—use this test even if you provide sample tastes. Sample tastes are no more than 1.5 oz for wine or cider.
- **Law Orientation Self-Test for On-Premises Sales Licenses.** Complete this test if you are selling wine or cider by the glass or bottle for consumption on the licensed premises, even if you will also sell alcohol “to go” in sealed containers.

You will need to review the OLCC **Law Orientation Booklet for Retailers** to complete the self-test. The law orientation booklet and the self test forms are available at www.oregon.gov/OLCC. Click on the Get a Liquor License link to access these documents.
