18. PERSONAL HISTORY QUESTIONS. The answers to some of these questions may be exempt from public disclosure under ORS 192.505(2), the Oregon Public Records Law, unless a party seeking disclosure, by clear and convincing evidence, shows that disclosure would not be an unreasonable invasion of privacy and that the public interest requires disclosure in the particular instance. The answers to these questions may be considered by the Board and may be disclosed in any contested case hearing or appeal of a licensing decision based upon them.

Answer all questions. If you answer “yes” to any of the questions, you must attach a complete written explanation of the event(s) or condition(s), including dates, names, addresses, circumstances, and results along with your returned application. Use the form at http://www.oregon.gov/OMB/Emeritus/VE_Personal_History_Expln_Form.pdf.

NOTE: Fraud or misrepresentation in applying for or procuring a license, registration or reactivation in Oregon are grounds for disciplinary action, including denial or revocation of license, and are reported to the National Practitioner Data Bank and/or appropriate national professional credentialing organizations.
