OREGON ADMINISTRATIVE RULES

CHAPTER 847, DIVISION 026 – OREGON MEDICAL BOARD

TEMPORARY RULE ADOPTION – OCTOBER 9, 2009

Proposed rules are in response to HB 2435 (2009), and outline the requirements for expedited licensure by endorsement.

DIVISION 026

RULES FOR LICENSE BY EXPEDITED ENDORSEMENT

847-026-0000

Qualifications for License by Endorsement

(1) The Oregon Medical Board may issue a license by endorsement to a physician who:

(a) Meets the requirements for licensure as stated in OAR 847-020-0120, OAR 847-020-0130, OAR 847-020-0170, and OAR 847-023-005;

(b) Meets one of the following:

(A) Has current certification by the American Board of Medical Specialties or the American Osteopathic Association's Bureau of Osteopathic Specialists; or

(B) Is eligible for primary source verification of medical education, post-graduate training and examination scores through the state in which the applicant was originally licensed;

(c) Is in good standing, with no restrictions or limitations upon, actions taken against, or investigation or disciplinary action pending against his/her license in any state, district, territory, or jurisdiction where applicant is or has been licensed;

(d) Has not had privileges at a hospital, clinic, or surgical center denied, reduced, restricted, suspended, revoked, terminated and has not been subject to staff disciplinary action or non-renewal of an employment contract or been requested to voluntarily resign or has privileges suspended while under

investigation.

(e) No significant malpractice claims as determined by the Board;

(f) Has one (1) continuous year of current, active, unrestricted, unlimited clinical practice of medicine or surgery, or osteopathic medicine and surgery in their medical specialty as a licensee of a state, district, territory, or jurisdiction in the year preceding the physician's submission to the Board of an application to practice in Oregon, or if retired must have been retired for one (1) year or less in the year preceding the physician's submission to the Board of an application to practice in Oregon. Clinical practice will be documented by verification of staff privileges, or non-consulting medical employment. A year of accredited clinical fellowship in the applicant's medical specialty as a licensee of a state, district, territory or jurisdiction qualifies as a year of clinical practice.

(2) A physician is not eligible for licensure by endorsement if the Board finds that the applicant has engaged in conduct prohibited by ORS 677.190.

(3) An applicant ineligible for licensure by endorsement may make a full and complete application per the requirements of OAR 847, Division 020, or OAR 847, Division 023.

847-026-0005

Application

The applicant must submit a completed application to the board on a form furnished by the Board with the required non-refundable application fee. The applicant must attest that all questions have been answered completely and all answers and statements are true and correct. Any false information is grounds for denial, limitation, suspension or revocation of licensure.

847-026-0010

Documents, Letters, Certifications Obtained by the Board

The Board will obtain the following documents, letters, certifications and results of queries of national databases required for licensure on behalf of the applicant:

(1) Verification of certification by the American Board of Medical Specialties or the American Osteopathic Association's Bureau of Osteopathic Specialists;

(2) Verification of re-certification by the American Board of Medical Specialties or the American Osteopathic Association's Bureau of Osteopathic Specialists;

(3) The results of a query of the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank; and

(4) The results of the query of the Federation of State Medical Boards' Board Action Data Bank.

847-026-0015

Documents and Forms to be Submitted for Licensure

(1) The following additional documents are required for a completed application and can be submitted by the applicant, the applicant's initial state of licensure, or the Federation of State Medical Boards' Federation Credentialing Verification Service Profile (FCVS):

(a) Birth Certificate: A copy of the applicant's birth certificate for proof of name and birth date, and any name change documentation if there has been a name change from birth name;

(b) Medical School Diploma: A copy of a diploma showing the applicant's graduation from an approved school of medicine, or a foreign school of medicine that meets the requirement of OAR 847-020-0130 (2)(b)(D);

(c) Internship, Residency and Fellowship Certificates: A copy of official internship, residency and fellowship certificates showing the applicant's completion of all postgraduate training;

(2) The applicant must submit the following:

(a) An open-book examination on the Medical Practice Act and an open-book examination on the

regulations of the Drug Enforcement Administration governing the use of controlled substances;

(b) The completed fingerprint card with the Identification Verification form.

847-026-0020

Letters and Official Grade Certifications to be Submitted for Licensure

The applicant must request official letters or verifications to be sent to the Board directly from the following:

(1) The Executive Secretary of the State Boards in the United States or Canada where the applicant has been currently or most recently practicing. The currently dated original verification of license (copy is not acceptable) shall show license number, date issued, grades if applicable and status.

(2) The National Board of Medical Examiners (NBME), the National Board of Osteopathic Medical Examiners (NBOME), the Medical Council of Canada (LMCC), or the Federation of State Medical Boards (FLEX, USMLE) must provide an official grade certification;

(3) The Director or other official for practice and employment in hospitals, clinics and surgical centers in the United States and Canada. A verification form or letter with original signature must be submitted from the practice sites where the applicant was physically practicing which shall include an evaluation of overall performance and specific beginning and ending dates of practice and employment from the past five (5) years.
