

KINGSLEY FIELD STATE EMPLOYEE'S SAFETY COMMITTEE MEETING

1. Place, Time, Date: Fire Dept, July 13, 2011 @ 1000 hrs
2. Chairperson: Jim Court
3. Members Present: Mike Shepherd, Scott Ramsey & Jim Court
4. **Old Business:**
Minutes from last meeting were reviewed.
5. **New Business:**
 - a.) The committee planned to conduct a walk thru tour of Bldg 207. We had a discussion on the pending demolition of the bldg and the safety concerns for employees working in the bldg during construction. The second floor hallway barricading was discussed based on exterior staircase removal. Prior to taking the full tour, an emergency haz mat call came in for the base and the meeting had to be adjourned.
6. **Accident Reviews:**
No new accidents to report.
7. **Safety Discussion for the Day:**
Tums burns when it gets in your eyes and looks like an unidentified white powder when it falls out of shipping boxes and gets on you unexpectedly. (Haz Mat call for the day.) Safety message for the day is to call for help right away and do not drive yourself to the doctor first.
8. **Adjourned: @ 1015 hrs.**
9. Our next meeting is August 10th @ the Fire Station.
10. Submitted by Jim Court.
