MEMORANDUM FOR ALL MEMBERS

FROM: State Safety Committee

1. SUBJECT: State Safety Committee Minutes
2. The State Safety Meeting convened on Wednesday, Mar 16, 2011. The following members were in attendance:

Steve Mezzanatto	Carla Jones	Paul Looney
Aviva Johnston	Randy Kovar	

3. **OLD BUISNESS:**

A. Bldg 170 Inspection Update

1. A rock sample labeled "Radioactive" stored in cubicle area next to Aviva's cubicle. **(Rock was a personnel idem that was marked radioactive to prevent disposal or theft. Rock has been removed.)**
2. Bldg was missing Evacuation plan. **(Completed and posted.)**
3. Fire drills need to be established by the Building/Facility Manager.

4. **NEW BUISNESS:**

A. No accident reports to review.

B. Dave Sota requested discussion on fall protection. Robin Boren met with Dave and to go over the gear. It was determined that the gear is an older and heavier model and it might be time to update. Dave Sota and Steve Mezzanotto will do research on cost for the purchase of new equipment. In addition we have printed from the Oregon.gov web the Fall Protection M to review the procedure and training guidelines.

C. Thursday, May 12, 2011 is Safety Break. As a safety committee we would like to consider hosting a Safety Break event. Further discussion with the Supervisors and committee members is needed. **Tabled for next meeting**

D. New Injury packets – I forgot to mention that the state has sent Robin new Injury folders. They can be located at the wall in-box next to the office door of Mr Robin Boren.

E. Yearly OHSU accident Report has been posted as directed and will be removed on 1 May 2011.

5. Next Meeting will be an inspection of Bldg 145 on Wednesday, 20 April. We will meet at the entrance of Bldg 145 at 0900.
