
Logistics Section

The Logistics Section supports emergency operations by providing needed personnel, equipment, and supplies. Logistics personnel are the “getters” of the emergency response effort. This Section includes the following annexes:

- Logistics Section Chief:
Directs the Logistics Section
- Staff Support Unit:
Supports the EOC staff with supplies, feeding, and miscellaneous support.
- Communications Unit:
Communicates information and supplies communications equipment.
- Transportation Unit:
Provides vehicles and drivers for moving supplies, equipment, and personnel.
- Human Resources Unit:
Supplies County employees and recruits, processes and organizes *non-organized* volunteers.
- Supply Unit:
Procures and coordinates supplies and equipment, including food and water, not associated with shelters.
- Care and Shelter Unit:
Provides staffing and coordination of facilities and supplies for public shelters.
