

Oregon's Seismic Rehabilitation Grant Program (SRGP)

Upcoming Training

You are invited to attend a training workshop being held for prospective applicants of the Seismic Rehabilitation Grant Program.

If you have questions about eligibility or the application process, please join us for the upcoming workshop:

When: Thursday, November 5th, 2009 from 1:00 PM to 3:00 PM

Where: Oregon Emergency Management
3225 State Street, Room 115
Salem, OR 97301

Google Maps: <http://tinyurl.com/SRGPsalem>

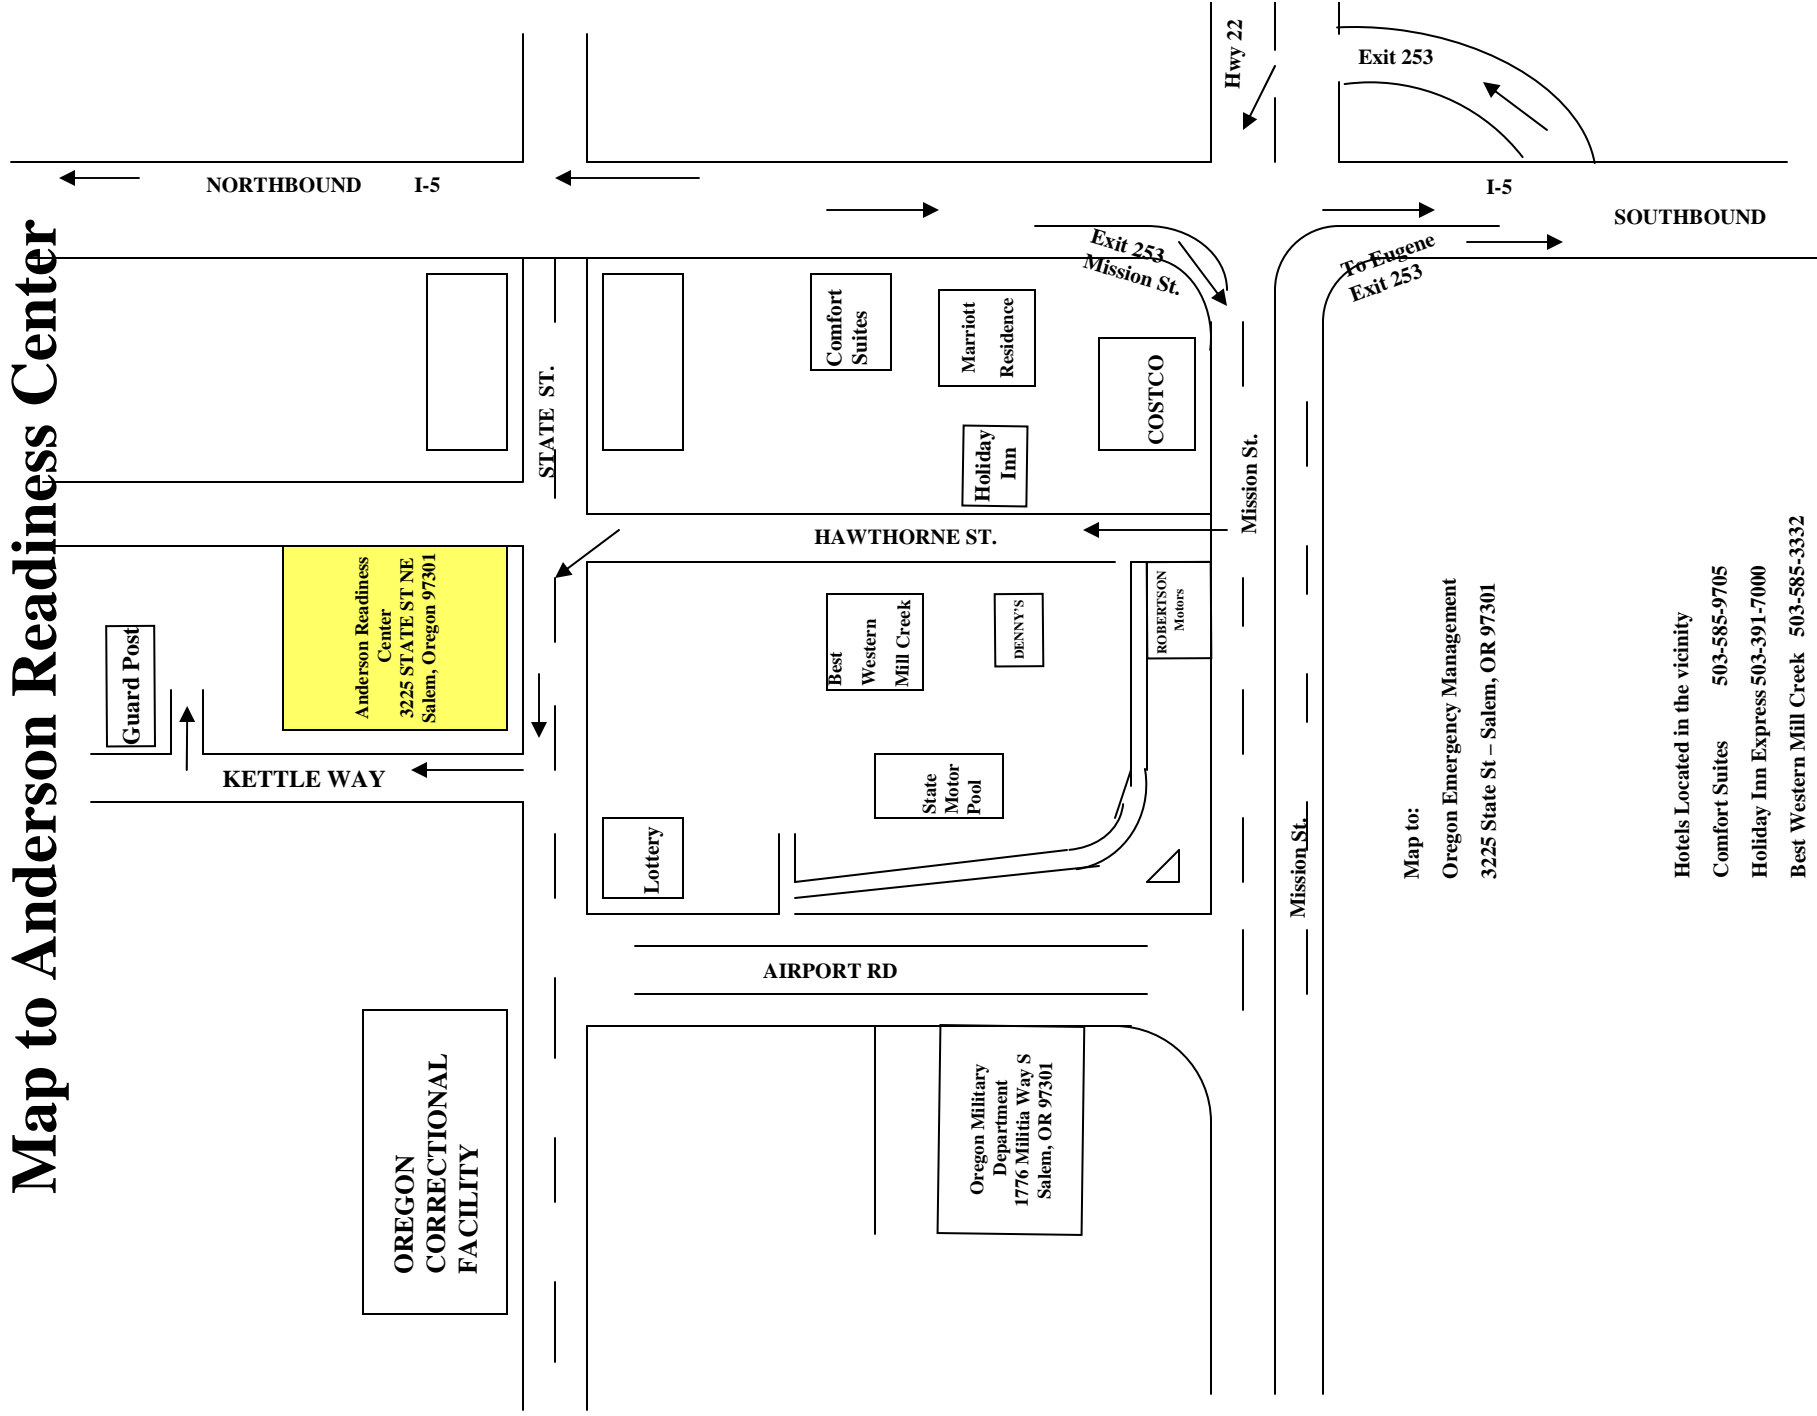

Attached please find a map illustrating that access into the Anderson Readiness Center (ARC) is via Kettle Way. Please remember that you will need to provide a photo i.d. and explain to the guards your purpose for visiting the ARC. OEM is located within Room 115 of the ARC; you can expect a receptionist staff member to buzz you in and provide a visitor badge as part of the front desk check-in process.

Agenda: We will review the application process and go into detail regarding eligibility requirements and the Benefit Cost Analysis. There will be time set aside for additional questions and discussion.

Please Register! There are a limited number of seats so please email or call to sign up for this workshop.

Contact: Kiri Carini, Seismic Grants Assistant at kcarini@oem.state.or.us, (503) 378-2911 ext 22245.
