The Office of Emergency Management (OEM) participated in the Governor’s Employment Executive Briefing at Camp Withycombe in Clackamas, Ore., June 14, highlighting the importance of emergency response planning for businesses. The event featured more than 300 prominent business and civic leaders who gathered in support of hiring veterans.

The OEM display featured emergency kits, how to create an emergency response plan, and a demonstration of the Real Time Assessment and Planning Tool for Oregon (RAPTOR) which provides situational awareness with state-of-the-art data services that show real time events on a common situational viewer. To use the RAPTOR system individuals and businesses can go to: http://www.oregon.gov/DAS/CIO/Pages/RAPTOR.aspx

The Office of Emergency Management will be participating in events throughout the summer to highlight the importance of individual, business and other emergency plans for disaster response and recovery.

For more information on creating an emergency plan contact the Office of Emergency Management Public Information Office at (503) 378-2911 x22283.
