

Qualified Archaeologist Checklist

In accordance with ORS 390.235 only a "qualified archaeologist" may apply for an archaeological permit in the state of Oregon. ORS 390.235 defines a "qualified archaeologist" as someone who meets all of the following criteria: (Please provide a checklist for the permit applicant and all field supervisors listed in permit.)

Applicant/Field Supervisor Name _____

1. Do you have a post-graduate degree in archaeology, anthropology, history, classics or other germane discipline with a specialization in archaeology, or a documented equivalency of such a degree?
Yes____ No____
2. Do you have twelve weeks of supervised experience in basic archaeological field research, including both survey and excavation?
Yes____ No____
3. Do you have four weeks of laboratory analysis or curating?
Yes____ No____
4. Have you designed and executed an archaeological study, as evidenced by a Master of Arts or Master of Science thesis dealing with archaeological field research
Yes____ No____

*If Yes, please attach a copy of the cover page and thesis abstract and submit the check list with the permit application

*If No, please provide the following:

Submit a report of equivalent scope and quality that does deal with archaeological field research to SHPO for review. (For information on report components that need to be included to be considered equivalent in scope and quality of a thesis see **Who May Apply for an Archaeological Permit?** {p. 1}. Please provide a detailed cover letter with the reports.) This report will then be sent to three Universities for independent evaluation for meeting Criteria C. Criteria C will be met if two of the three reviewers approve the report.
