Maintaining the cemetery as an active and historical cemetery requires time and money. We have been able to obtain grants to fix grave markers and make other repairs. The current project is to build an access road on the East Side of the cemetery. The work is scheduled to begin as soon as the weather allows. The road will be built using some grant money and some private donations.

Following is an application for membership in the BCCA. The dues are only \$12.00 per year. You can also make donations of time or money. These donations can be for general use or can be designated for a specific project that is near and dear to your heart.

Brooks (Cemetery) Historical Preservation Organization:

We are trying to locate ancestors, relatives and friends of persons buried in the Brooks Catholic Cemetery aka Brooks Church of Assumption Cemetery.

We are interested in the preservation of this cemetery, however for several decades the descendants of Edward LaFlemme have done what maintenance was done. In more recent years the Harris descendants have been doing most of this work.

Thanks to all who have been involved in the volunteer efforts.

We are starting a Cemetery Preservation Association, this will be a non-profit organization, for the historical well being of the cemetery.
