RULE SUMMARY

ORS 390.180(1) authorizes the Director of the Oregon Parks and Recreation Department (OPRD) to adopt administrative rules that establish a master plan for each state park. Accordingly, OPRD is adopting a master plan for Iwetemlaykin State Heritage Site, a new park that was recently added to the state park system. Master plans for state parks are adopted as state rules under OAR 736-018-0045. The purpose of amending OAR 736-018-0045 is to adopt the new master plan as a state rule.

The master plan responds to the most current information on park resource conditions and public recreation needs as they pertain to this park. The plan was formulated through OPRD's mandated master planning process involving meetings with the general public, an advisory committee, tribes that are affiliated with the area, and affected state and federal agencies and local governments.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.
